Subject: Congratulations

Dear Rob,

On behalf of Property and Development NSW, I share my congratulations to all the members of the Parramatta District Men's Shed, for your organisation's recent 10-year anniversary on 14 March 2024.

We are so proud of the relationship we have developed with the Parramatta District Men's Shed, an example of the NSW Government's commitment to nurturing collaborative and meaningful relationships with Parramatta North stakeholders, partners and the community.

The recent works at the Norma Parker Centre are an example of our collaboration with the Men's Shed. It's a unique advantage to have such talented craftsmen available within our precinct to help restore the 'Covered Way' structure.

Engaging with you to transform our shared spaces is essential to ensure that we thoughtfully curate and reflect the shared values and identity of the Parramatta North vision. Your dedication, and commitment to the community, is certainly an achievement to be proud of.

Your organisation's efforts across the whole have undoubtedly enriched the lives of many, a place that personifies a sense of belonging and purpose. We look forward to continued opportunities to share your skills and passion, especially as the Men's Shed complete the custom timber benches for the walkway, improving the vibrancy and accessibility of the surrounds for visitors to Parramatta North.

On behalf of our team, I would like to express our gratitude for your contributions and extend our best wishes for continued success and prosperity in the years to come.

Once again, congratulations on this remarkable achievement!

Yours sincerely
